

The Folder Inserter that Grows with Your Business

Do you have to deal with expanding needs in your mailroom?
The compact DS-85i can help you out.

This quiet, modular and easy-to-use folder inserter can be adapted to meet your ever changing mailing requirements.

Its smart but simple full color touchscreen makes it easy for you to set up jobs. No trained operators are needed to use this folder inserter.

All you have to do is load your documents and envelopes and then just press "Go". All the settings adjust automatically and even save for instant recall.
