

**With just the press of a button,
your booklet is done!**

Tabletop Booklet maker U-Booklet

The U-Booklet is a tabletop booklet making machine, that automates stapling / folding documents. Anyone can produce professionally finished booklets by easy operation, in a few seconds.

The U-Booklet has an icon based electrostatic control panel with a built in LCD counter. It makes the machine versatile and its operation easy and intuitive. Various functions and settings can be selected by light finger touch.

The U-Booklet can produce up to 800 sets of professional booklets per hour. Since it requires no warm up time, you can save labour time and cost as soon as it's unboxed and turned on.

Thanks to its sophisticated design and small footprint, the U-Booklet fits in any working place such as office, small business, school, church, copy shop and print shop.

Features

Heavy duty staplers

The U-Booklet has heavy specially made heavy duty stapler heads, that can staple up to 16 sheets of 80gsm papers with fewer jam and error.

Easy staple loading

Reloading staples into a stapler magazine is easy and quick. Simply open the cover, pull the magazine, lift the plate and place staples.

Setting without any tool

The U-Booklet requires no tools to change staple head locations. Depending on what your job is, staple head locations can be chosen from 5 slots.
